

# LABOUR DAY PARADE & SOCIAL

September 03,  
2018

Be part of the annual Labour Day parade, as we join 30,000 of our closest friends in the labour movement for a celebration of workers and injured workers.

It's always a fun time and a chance to get outside, socialize with our friends, and be part of the movement. After the parade, everyone is invited back to the **Steelworkers Hall (25 Cecil Street) for food and live music.**

Bring your family and friends!

**Meet us at 9 am in front of Staples** on University Ave, (North-east corner of Armoury Street and University, across from 400 University Avenue - Ministry of Labour). **We will be joining the parade behind the Steelworkers this year.**
