

LABOUR DAY PARADE & SOCIAL

Be part of the annual Labour Day parade, as we join 30,000 of our closest friends and allies in the labour movement for a celebration of workers and injured workers.

It is always a fun time and a chance to get outside, socialize, and be a part of the movement. You will get free entrance to the CNE, and everyone is also invited back to the Steelworkers Hall (25 Cecil Street) for food and live music after we march. Bring your family and friends.

Meet us at **9am in front of Staples** (north-east corner of Armoury St. and University Ave., across from the Ministry of Labour at 400 University). **We will Join the parade behind the Steelworkers**
