

Workers' Compensation Experience Study

Do you provide services to injured and ill workers?

Lakehead University researchers Drs. Scharf and Koné invite you to **share your experiences providing services to injured and ill workers in a one-on-one interview.**

Your experiences could help us improve services for Thunder Bay and District injured and ill workers involved in the WISB claims process.

Interviews will take place over the telephone.

A \$10.00 gift card to a select location will be provided.

To enroll or for more information, please contact:
